

NCWW

Newcastle West Wheelers

Ladies & Gent's,

Results for week 2 are attached along with the overall league table. As explained last week, the points in week 2 would be based on your % improvement from week 1. Those that had the highest % improvement scored highest, etc. In addition the fastest three riders also got extra points.

It has certainly shaken things up. Quite a few people in contention for the overall league win.

Finally, anyone who improves by more than 10%, will find that their base time is adjusted to their new best time the following week.

Thanks to everyone who turned out tonight.

Regards.

Liam Collins
